[luca.iacomino20@gmail.com](mailto:luca.iacomino20@gmail.com) | (+34) 602 097 905 | Madrid (SP) | [My Portfolio](#)

Data professional with 4+ years of experience turning business problems into data solutions, from analytics and BI to machine learning models in production. Delivered forecasting systems, NLP classifiers and AI agents with measurable commercial impact, backed by an MSc in Data Science and a consulting background in Data & AI.

---

## PROFESSIONAL EXPERIENCE

### Ebury

Madrid, Spain

#### Data Analyst – Commercial Services

Sept. '26 – Present

*Fintech for international payments and FX for SMEs, majority-owned by Banco Santander*

- Design and build **AI agents** on GCP (BigQuery, Airflow, LLM APIs) to automate commercial workflows and surface insights for the sales organisation
- Own the analytical data models and reporting powering decision-making across the Commercial function

### TCR Group

Madrid, Spain

#### Data Analyst

Sept. '24 – Aug. '26

*World's largest lessor of airport Ground Support Equipment – 230+ airports across 20+ countries*

- Built TCR's first two AI solutions end to end: an **XGBoost revenue forecasting model (RMSE = €12K)** replacing manual Excel estimates, and a two-layer NLP work-order classifier (**91% accuracy**) that recovered **€200K** in revenue within 30 days
- Created dynamic **Power BI** dashboards monitoring KPIs across multiple entities and reporting layers
- Automated monthly performance reporting, **reducing reporting time by 40%**

### ACCENTURE

Rome, Italy

#### Data & AI Value Strategy – Analyst

Feb. '23 – Sept. '24

- Designed an **AI-powered chatbot** for a public sector client, improving response time by **30%**
- Translated business requirements into **data-driven use cases** and identified automation opportunities worth **20–25%** process time reduction

### BUSINESSCOOT

Paris, France

#### Market Analyst & Team Lead – Italian Market

Jan. '22 – Jan. '23

*Start-up providing market studies to consulting firms and private equity funds*

- Grew Italian market sales by **60%** and led a team of 4 analysts, increasing output by **40%**
- Applied statistical and analytical methods to market data; 6 months based in the Rio de Janeiro office

---

## EDUCATION

### UNIVERSIDAD COMPLUTENSE

Madrid, Spain

MSc in Data Science – GPA: 8/10

Feb. '25 – Feb. '26

- Machine Learning, Deep Learning, Statistics, Model Deployment
- Thesis: restaurant demand forecasting using sales history, web trends and geospatial data – **Scholarship Awarded**

### NOVA SCHOOL OF BUSINESS AND ECONOMICS

Lisbon, Portugal

MSc in Management – GPA: 18/20 – Top 5%

Sep. '21 – Jan. '23

- Thesis on Venture Capital and growth in emerging markets – analysed **400+ startups across 10 countries**

### ESSEC BUSINESS SCHOOL

Paris, France
